Tyvek Wristbands

Tyvek paper wristbands provide a convenient and cost-effective solution for visual access control at hotels and resorts. Crafted from high-density polyethylene fibers, these wristbands are lightweight, easy-to-wear, and resistant to both chlorine and water. They boast tamper-proof adhesive, durability, and tear-resistance. With a wide range of stock colors available, these wristbands can also be customized with a single black color print.

Available Colors

Key Details	
MOQ: 100 (supplied in sheets of 10)	**SIZE:** 3/4 Inch Width
PRODUCTION TIME: 1-2 Business Days*	**PRINT:** Black Print Only
PRICING: Please Inquire (dependent on quantity)	**MATERIAL:** Paper

*** PRODUCTION TIME BASED ON MOQ**
For exact pricing & timelines please email: contact@idcband.com

Chroma Wristbands

Our Chroma paper wristbands are not only durable and tamper-proof, but are highly customizable with your hotel logo and full-color branding. Additionally, they can be printed with barcodes, sequential numbers, and other variable data.

SPECIAL FEATURES: barcodes, QR codes, variable data/photos, serialization

Key Details	
MOQ: 108 (supplied in sheets of 12)	**SIZE:** 1 Inch Width
PRODUCTION TIME: 1-2 Business Days*	**PRINT:** Full Color Print
PRICING: Please Inquire (dependent on quantity)	**MATERIAL:** Paper

*** PRODUCTION TIME BASED ON MOQ**
For exact pricing & timelines please email: contact@idcband.com

RFID Chroma Wristbands

RFID paper wristbands present a cost-effective solution for RFID or NFC applications. Constructed from durable woven polyester, these tamper resistant wristbands have been enhanced with RFID or NFC chips. Our efficient, in-house digital full-color printing, based in Florida, USA, enables us to deliver custom RFID wristbands to you within just 24 to 48 hours.

COMMON CHIP TYPES: Fudan 1k, EV1 48B and I Code SLIX

Key Details	
MOQ: 108 (supplied in sheets of 12)	**SIZE:** 1 Inch Width
PRODUCTION TIME: 1-2 Business Days*	**PRINT:** Full Color Print
PRICING: Please Inquire (dependent on quantity)	**MATERIAL:** Paper

*** PRODUCTION TIME BASED ON MOQ**

Custom Full Color Print Fabric Wristbands

Full-color cloth wristbands are the ideal choice for non-transferable access control at resorts and hotels for both one-off events and day passes. These wristbands are more comfortable than plastic or paper wristbands, while still being waterproof. They also offer a high level of security, making them perfect for your needs. These wristbands are particularly beneficial for brands that require gradient effects, intricate details, and unlimited color options.

SPECIAL FEATURES: pantone match barrel locks, serialization

Key Details
MOQ: 50
PRODUCTION TIME: 14 Business Days*
PRICING: Please Inquire (dependent on quantity)
SIZE: 16 x 350mm, 20 x 350 mm
PRINT: Full Color
MATERIAL: Soft Polyester

*** PRODUCTION TIME BASED ON MOQ**
For exact pricing & timelines please email: contact@idcband.com

Custom Woven Fabric Wristbands

Traditional woven wristbands are a reliable, non-transferable access control option at resorts and hotels for both one-off events and day passes. These wristbands are waterproof but also provide a high level of visual security through a variety of unique threads (such as glow-in-the-dark and metallic options). They are an ideal solution if you're looking for something that stands out.

SPECIAL FEATURES: glitter and neon threads, pantone match barrel locks, serialization

Key Details
MOQ: 50
PRODUCTION TIME: 14 Business Days*
PRICING: Please Inquire (dependent on quantity)
SIZE: 16 x 350mm, 20 x 350 mm
PRINT: Woven Threads (up to 8 colors)
MATERIAL: Woven Fabric

*** PRODUCTION TIME BASED ON MOQ**
For exact pricing & timelines please email: contact@idcband.com

PET Fabric Wristbands

Our popular, recycled PET fabric wristbands, crafted from reclaimed plastic bottles, offer a stylish and eco-friendly solution for secure, non-transferable access control with a lux satin finish. Opting for this environmentally friendly alternative will stand out to your guests and contribute to the reduction of plastic waste in landfills and oceans.

SPECIAL FEATURES: pantone match barrel locks, serialization

Key Details
MOQ: 500
PRODUCTION TIME: 14 Business Days*
PRICING: Please Inquire (dependent on quantity)
